

HELP STOP MEDI CUTS

TO
COMPLEX REHAB
TECHNOLOGY
CRITICAL TO
PEOPLE WITH
DISABILITIES

Medicare is planning to cut funding on **January 1, 2017** for complex rehab technology (CRT) accessories needed by people with significant disabilities such as:

- Amyotrophic Lateral Sclerosis (ALS)
- Spinal Cord Injury
- Multiple Sclerosis (MS)
- Muscular Dystrophy
- Cerebral Palsy

CARE

They rely on CRT specialized wheelchairs and essential components to maximize their function and independence and to minimize their healthcare treatments and cost.

Please contact your Members of Congress and tell them to protect access by taking Legislative Action before year-end.
